Friends,

I hope that this Eastertide finds all of you doing well! This year during the great 50 days between Easter and Pentecost, we are working to make 50 new disciples of Jesus Christ for the transformation of the world. With your help I know that this is going to be possible! We are already well on our way to accomplishing this new and exciting goal.

Spring time in the church is one of the most exciting times of the year. We are able to relish the joy of Eastertide in the church, the ball fields are full of kids, grills are lit, pools warm up, and summer relaxation is around the corner. This time of year is one where we as a community of faith see each other out and about, and we get to enjoy fun activities like tea parties, and look ahead to joyful ministry opportunities like VBS. We prepare to receive recent confirmands into full membership of our church, and we show our graduating seniors our love as they accomplish their high school diplomas. It is truly a season of excited anticipation and preparation for the fun of the summer.

Every year around this time, I can't help but be grateful for the way that God shows us how all things are going to be made new. I always need the spring after winter. The darker days, colder temperatures, and empty tree branches always seem so bleak. Spring always comes just in time to remind me of the beauty and wonder of the world. It reminds me that God is not just calling us as people to survive, but instead we are called to thrive in our faithfulness.

As you enjoy this spring season, I hope you will remember that God is doing a new thing through each of us. God is calling us to prepare ourselves to serve and to share the joy of our faith with our community. Let's finish these great 50 days strong and prepare to do incredible ministry for our God and our community.

Blessings and peace,

Pastor David

From Pastor Matt's Desk

1 *Whate'er my God ordains is right:
his holy will abideth;*

*I will be still, whate'er he doth,
and follow where he guideth.*

*He is my God; though dark my road,
he holds me that I shall not fall:
wherefore to him I leave it all.*

2 *Whate'er my God ordains is right:
he never will deceive me;*

*he leads me by the proper path;
I know he will not leave me.*

*I take, content, what he hath sent;
his hand can turn my griefs away,
and patiently I wait his day.*

3 *Whate'er my God ordains is right:
though now this cup, in drinking,
may bitter seem to my faint heart,
I take it, all unshrinking.*

*My God is true; each morn anew
sweet comfort yet shall fill my heart,
and pain and sorrow shall depart.*

4 *Whate'er my God ordains is right:
here shall my stand be taken;
though sorrow, need, or death be mine,
yet am I not forsaken.*

*My Father's care is round me there;
he holds me that I shall not fall:
and so to him I leave it all.*

Trinity Psalter Hymnal 231

I have always appreciated the classic hymns and classic songs of the church. I would rather read a hymnal than Jesus' Calling. I have connected deeply with the hymns and always think they are rooted in so much truth. This hymn, though not in the UMH, is one of my recent favorites. "He is my God; though dark my road, he holds me that I shall not fall: wherefore to him I leave it all." Friends, this song is so true for us today. As I look at our world and as I look within myself I so often think of these words... "Whate'er my God ordains is right: here shall my stand be taken." No matter what I may face I can stand confidently because of what my God has ordained. He is faithful and will not fail. He will not allow my foot to stumble. He will be the one, though dark my road may be, who will guide and establish my steps. Whate'er he ordains is right because He is right. Though these words be ancient they still are so presently true for me. Maybe they are true for you as well. May God be with you today by the presence of the Father, the Son, and the Holy Spirit; three-in-one.

Maranatha,
Pastor Matt

Pastor Billy's Notes

Did You Hear the News?

“He that hath ears let him hear” (Matt:11:15)

“Have you heard the latest?” usually gets one’s attention immediately. Everyone wants to be in on news, whether it’s juicy or informative. On television, commentators are given awards for presenting the best news. Hours are devoted to news items everyday over the airways. News is important. We pride ourselves as a nation in being first when news breaks. We listen to these programs many times a day. But do we really hear? Much of what is said goes in one ear and out the other. Little of it makes a difference in our lives. We tune in, but tune out at the same time.

When Jesus spoke centuries ago, people stopped and listened. Those who really heard what He was really saying and comprehended it underwent a life changing experience. The words that Jesus spoke are still the best news.

He still speaks to us today. Sometimes it is through the scriptures, music, prayers, sermons, or during quiet moments, but always clearly. His message is the same, “Follow me!”

Have you heard?

Open My Eyes, That I May See

Clara H. Scott, 1895

*Open my eyes, that I may see glimpses of truth Thou hast for me;
Place in my hands the wonderful key that shall unclasp and set me.*

*Open my ears, that I may hear voices of truth Thou sendest clear;
And while the wave notes fall on my ear, everything false will disappear.*

*Open my mind, that I may read more of Thy love in word and deed;
What shall I fear while yet Thou dost lead? Only for light from Thee I plead.*

*Open my mouth, and let me bear, Gladly the warm truth everywhere;
Open my heart and let me prepare Love with Thy children thus to share.*

Refrain:

*Silently now I wait for Thee,
Ready my God, Thy will to see,
Open my heart, illumine me,
Spirit divine.*

EFUMC Children's Ministry

Judene Fluker
Director of
Children's Ministry

My son, Harrison, slowly walks out of the dugout remembering that he struck out in the previous game. I can see the anxiety on his face, so I say a little prayer for God to comfort him. Harrison steps into the batter's box and my heart begins to pound and race. The crowd and his teammates erupt into bursts of cheers to encourage him because they, too, remember his previous performance. He bends his knees, lifts his elbow and is ready to light up that ball! The first pitch is thrown and its outside. The second pitch is thrown and it's a strike, but Harrison didn't swing! He didn't even budge! He stands frozen for a moment then steps out the batter's box to turn and look at me. I reassured him that he could do it, that he would get another chance to knock that ball out of the park! Feeling more confident, he steps back in, gets ready and sure enough the pitcher threw the ball right into the strike zone again. This time Harrison swings level and pops the ball right between first and second base! He takes off and makes it safely to first base. He looked at me with such pride and accomplishment in his eyes and believe me I was just as proud as him. That night Harrison made it through all the bases to score a run for his team. He initially thought that he had missed his chance to make it, but fortunately, he was given a second chance.

Many times, in life we all feel discouraged because of our past mistakes or performance, but God gave us the ultimate second chance when he sent his son to die for our sins! Don't look at your past, just look forward for a new opportunity in Christ. John 3:17 states, "For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him." Talk about a second chance! When times get tough remember that God is gracious and merciful! He has given and will continue to give you chances to succeed and serve him. When he does, knock it out of the park! Be obedient, use the gifts God gave you to encourage, uplift and help others. Never give up because God is so faithful in all things! There are times in life when we all feel like giving up but stay in the batter's box and I promise God is going to line it up just right for you! Root for Christ because he is always the winning team! I love you all and I truly pray that God blesses you abundantly!

EFUMC YOUTH MINISTRIES

Happy Mother's Day! Thank you for the way you love, influence, and mother the teenagers in your life. We love you!

Events Coming Up:

May 15th: Senior Sunday

June 3rd-6th: Youth Week at the Beach

What We're Teaching:

PEYTON HAMMACK

Director of Youth &
FLC Ministries

A 4-WEEK SERIES FROM THE BOOK OF ACTS ON EVANGELISM

SERIES OVERVIEW:

With social media, just about anyone can be an "influencer" with the right content, good timing, and a little bit of luck. Invent a new dance, share a funny take, catch the right moment on camera, and you could get millions of views. Some "influencers" mostly just use their platforms to get free stuff, but once in a while, you find someone who uses their platform to talk about things that actually matter. Obviously they didn't have social media back in Jesus' day, but in the Bible, the book of Acts is filled with stories about "influencers" who had important things to say. In this 4-week series, we'll hear their stories, discover that **our lives can pass on the good news**, and learn how to pass on the good news to **unexpected people**, to our families, and **with humility**.

In Christ,
PEYTON

Mom's Day Out & Stepping Stones Preschool

“Children are a gift from the Lord.”
Psalm 127 : 3

Tammy Ezzell, Director

May 2022

Our classrooms are filled with many fun and exciting activities as we move quickly toward the end of the school year. Our 3 year old and Pre-K 4s are watching caterpillars grow and change in our butterfly gardens and learning about metamorphosis. They will see each caterpillar transition as it matures, changes into a chrysalis and finally emerges as a butterfly to be released into the environment.

On Thursday, May 5th we will celebrate Mother's Day with our Muffins for Moms at 8:30 AM. On Tuesday, May 24th @ 9:30 A.M. in the sanctuary at Enterprise First United Methodist Church The Stepping Stones Pre-K 4 classes will graduate from preschool and there will be a musical presentation by the 2, 3, and 4 year old classes. This will be a regular school day for children who normally attend on Tuesdays. All children participating in the program should be in their classrooms no later than 8:30. Remember: Regular school days will continue through Friday, May 26th @ noon.

Have a fun and safe summer and we look forward to seeing you next year.

ENTERPRISE CELEBRATE RECOVERY

Every night at Celebrate Recovery is different. Last night was utterly amazing. We heard a first-time testimony from one of our own. It's challenging to do a first-time testimony. Testimonies usually last about 20 minutes, and that is a lot of personal information to give a large audience. It is also one of the most effective ways God uses us to touch others through what God has done for us.

The woman who spoke last night, I will call her "Anna," first came through the doors of our church on a Tuesday night about five years ago. She had a big chip on her shoulder, partly because she was referred through the military and didn't really want to be there. In fact, she turned around and left the first couple of times. Then she stayed. And that is when the changes began.

Anna has been through a lifetime of abuse, a fractured family (her mother left when she was an infant), severe bullying, and the great disappointment of having to give up her long military career due to injuries and PTSD aftereffects. She had severe emotional, physical, and mental health issues when she came to us. She had dealt with serious injuries that required pain medication and she became chemically addicted. She had not turned her life and will over to Christ. How can we meet a challenge like that? We can't. But with God's help, all things are possible.

Anna gradually, with the encouragement of CR friends who believed in her, came to the Lord, joined one CR step study after another, attended a CR Summit, and gradually allowed her faith to grow. She now co-leads a step study and co-leads a small group on Tuesday nights. She and her daughter were baptized and have found a church home. She defines herself as a Child of God and a New Creation. The story of her life brings to my mind the words of a song the ECR Band played last night, "I'm going to see a victory, I'm going to see a victory, 'cause the battle belongs to you, Lord." May we all see a victory over our own personal challenges because the battle belongs to the Lord.

God bless you and come see us on a Tuesday night!

Blessings,
Jean Johnson, Assimilation Coach

Missionary Emphasis

First United Methodist Church

Wednesday, May 18, 2022
9:30am ~ Fellowship Hall

All members and friends (men and women) of the First United Methodist Church are invited to join the ladies of the church for a “Missionary Emphasis” event. We will introduce you to Dr. Vickie Blair, called to be a missionary behind the Iron Curtain in 1980 and Kyrgyzstan since 1991.

Vickie will thrill and amaze us as she relates how God called her to follow Him and depend on Him to provide direction and support for her mission work until this day. She relates how the Holy Spirit led her from teaching English in the local schools to establishing a Christian humanitarian organization called Project Kyrgyzstan, which includes a Bible college, orphanage, centers for feeding homeless, helping disabled, and those who need nursing home care. Dr. Blair has a Ministry Degree in Theology, writes books, has a YouTube teaching ministry, and shares her faith and love for Jesus everywhere she goes.

Note: We will provide a basket if you want to donate to her ministry.
